

CAL's Homeschool Umbrella program provides Homeschool students with access to our programs and facilities on a limited basis. All families must follow the enrollment procedures for new students. After acceptance into the program, costs will be based on the programs being utilized. Classes are based on a flat rate, while extra-curricular activities are based on a per activity fee. A diploma from CAL cannot be obtained through the Umbrella program.

Beginning with the 2009-2010 school year, CAL will be offering the following classes to homeschool students.

Algebra I  
Algebra II  
Pre-Calculus  
Chemistry  
Humanities  
Spanish I  
US History

To register for classes please call the Christian Academy of Lawrenceburg main office [502] 839-9992.
